THE VITAL ART SSAA Exhibition is a project examining traditional links between art and architecture. It is now proposed to record SSAA members' activity during the "Festival of Architecture 2016" in a special **Monograph** which will be published in advance of SSAA's 30th anniversary in 2017.

The full colour book on the theme "Art and Architecture" will include essays and art works by SSAA members. This is aimed at reinforce the bonds between the disciplines and if you would like to contribute ideas, text, images or your observations on this subject please contact:-
