THE VITAL ART SSAA's Touring Exhibition celebrating the traditional links between practitioners in the kindred disciplines of Fine Art and Architecture is now open to the public in the beautiful Stirling-Smith Gallery, Stirling.

Art-works from Scottish and European architect-artists have been expertly hung thanks to the very hard work of the Gallery's Arts Intern, 'Alice', who has done much of the hanging under Michael McGinnes' instructions.

For those who missed the opening please do visit (tues-sun) bring friends and remember to note any comments in the visitor's book!

A special **Monograph** to be published in advance of SSAA's 30th anniversary in 2017, includes essays and a variety of art works by SSAA members. If you would like to be included, contribute articles, text or images for publication please contact the Sec-

2016, the story so far.....

STIRLING SMITH GALLERY, STIRLING exhibition open tuesday - sunday till oct2

SSAA Members have responded magnificently to the challenging 2016 programme. High quality pictures have well matched the excellent venues in which we have been invited to exhibit during this Festival year. New works have been forthcoming throughout and 'The Vital Art' has even presented in Paris and Sicily. 2016 is already proving a landmark year for Scottish Architect-Artists.
