### ■ The BARONY CENTRE West Kilbride

WINTER EXHIBITION Dec - Jan.

The well attended opening of our **Winter Exhibition** "Ligne et Couleur" at the BARONY CENTRE, West Kilbride, celebrated inclusion of works from Italy, France, Poland and also for the first time: England.

This excellent show includes larger works and more varied subject matter and techniques than is our usual. A number of European artists made the winter journey and joined us in this very special venue - all appeared to be very impressed! As 'Friends' of the Barony will know it is a very busy centre and last week 700 guests attended 'Yuletide night' with live music to augment their appreciation of our works on the wall.

The exhibition is open 7 days through until the end of January (excluding festive dates) and our show along with the building and cafe is very well worth your visit!
